
INTERTRIBAL AGRICULTURE COUNCIL
2020 VIRTUAL CONFERENCE

SPONSORSHIP OPPORTUNITIES

DECEMBER 7-10, 2020

Keeping Indian Agriculture lands productive by helping people help the land since 1987.

WWW.INDIANAG.ORG

The Intertribal Agriculture Council (IAC) 2020 Virtual Annual Conference is a must-attend event for those interested in all things food and agriculture.

This event historically focuses on improving federal and state program access, policy change through the U.S. Farm Bill as well as innovative and regenerative agriculture methods that will help inspire broader market access for Native products, improved ecological conditions, and increased overall sovereignty for Native producers.

In the past, the in-person conference attracted an average of 800-plus attendees from every sector. Designed with Native farmers and ranchers at the center, participants also include governmental, non-governmental, youth, and private sector representatives.

The virtual format of the 2020 conference offers unprecedented opportunities to reach new and far larger audiences who are increasingly interested in the future of food and agriculture.

Sponsorship affords an opportunity to elevate the profile of your organization and business in front of the foremost experts and leaders on Native food - everything from producing, to processing, marketing, and policy development.

CHAMPIONS OF NATIVE AGRICULTURE \$10,000+

- Full access to all conference events
- Headliner logo placement on home page of event
- Premium virtual trade show booth space and free virtual presentation time
- Sponsorship ads during all conference tracks

- Tribal sponsors will receive the cost of your 2021 IAC membership.

OTHER SPONSORSHIP OPPORTUNITIES:

IAC AMERICAN INDIAN FOODS, NATIVE CONNECTIONS FOODBOX SPONSORSHIP:

Funding provided by the Native American Agriculture Fund built the foundation of a domestic foods program, the AIF Native Food Connection, that supports agripreneurs on the front lines of food production to provide consumers with access to "Made/Produced by American Indian" trademarked goods.

In order to promote products from producers participating in this program and to educate the public about the value and quality of Native foods, the IAC AIF program created a custom foodbox with select items to sample.

Organizations and individuals may sponsor the cost of these boxes for recipients of their choice as a gift to an individual or a shipment to a food distribution program. Proceeds support IAC AIF programming and the Native-owned food and ag businesses in the program. The Native Food Connection food box varies in product as we rotate inventory to best promote all AIF producers: purchase now!

Please indicate your sponsorship level and remit payment to:

Intertribal Agriculture Council
100 N. 27th St.
Billings, MT 59101
